## General Rules

- 6 players on the court
- Teams can play with less than 6 players on the court, if you do not have enough players to fill a team on that day. However, opponents can still play with 6 players on their side of the court if they have enough players present.
- There is no blocking and no spiking allowed in this league. This is for fairness and the safety of our younger players.
- A 5-minute grace period will be allowed prior to each game. After that, a forfeit will be recorded for that game. A total of 15 minutes will be allowed before all three games are forfeited.
- Matches will have a 50-minute time limit attached to them. A team that is ahead by 2 points after that 50-minute time limit will be declared the winner of that game. Three games will be played during a match. Team standings will be kept on the basis of total games won. One point will be given for every game won or lost.
- A volley-for-serve method will be used to determine which team serves first in the first game. After that, teams will alternate starting serves each game.
- One time-out per game is allowed by each team. 1 minute length.
- Rally Scoring- The first team to 21, win by 2, or the first team to reach 25 points straight up.
- All 3 games will be played each match, no matter the result of the first 2 matches.
- A ball can be played 3 times before going over the net. No player can hit the ball twice in succession.
- Contact with the ball must be a clear hit. No palming, lifting, pushing, or carrying of the ball is allowed. Any of these infractions will be called and result in a point for the opposing team.
- Ball can be contacted by any part of the body. Hands, arms, fists, head, and feet are all permissible.
- The receiving team cannot block or spike the serve.

- Rotation will be clockwise, 1 position for the new serving team.
- The center line may be touched but never crossed. Some part of the foot must stay in contact with the line at all times.
- Any ball that lands on the boundary line is considered in.
  - This will be at the discretion of both teams, as well as the supervisor(s). If a consensus cannot be reached, the point will be replayed. Please remember that this is a recreational league, and cheating will not be tolerated.
- Serves that hit the net and go over to the receiving team's side of the court are considered in play.
- Touching the net at any time is a foul, and will result in a dead ball and a point for the opposing team.
