

CELEBRATION TREE & BENCH PROGRAM

The Celebration Tree & Bench Program gives you the opportunity to donate a tree or bench in celebration, honor, or memory of a person or event. Trees and benches will be placed in the Portage Park system to provide a lasting memory and beautify the community.

Donating a Bench

1. Select a location and message

Please indicate which park or public space you would like your bench to be located. City staff will work with you to identify and applicable bench location. The City of Portage reserves the right for final location approval.

2. Complete the gift form

Please complete the information section on the bottom of this page and include along with your gift donation. Checks are payable to the City of Portage. Your gift of \$2,000 covers the bench, site preparation, concrete, engraved plaque, and perpetual care.

3. Install the bench

City staff will coordinate and install each celebration bench and send a picture after installation.

4. Warranty

The City of Portage will maintain a record of all celebration benches at the park and recreation office. The bench and recognition plaque will be warranted for 10 years.

Donating a Tree

1. Select a tree

All tree varieties will be considered through this program but the City of Portage reserves the right for final approval. Trees are approximately 1.5" in diameter or larger. We have provided seven recommended tree varieties that are dependent on nursery availability.

2. Select a location and message

Please indicate which park or public space you would like your tree to be located. City staff will work with you to identify and applicable planting site. The City of Portage reserves the right for final location approval.

3. Complete the gift form

Please complete the information section on the bottom of this page and include along with your gift donation. Checks are payable to the City of Portage. Your gift of \$500 covers the tree, delivery, soil preparation, planting, mulch, watering, perpetual care, and recognition plaque.

4. Plant the tree

City staff will coordinate and plant each celebration tree. You are invited and welcome to attend the planting but are not required.

5. Warranty

The City of Portage will maintain a record of all celebration trees at the park and recreation office. The tree and recognition plaque will be warranted for 5 years.
